Drawing - Pattern + Design

Portrait of a Woman You Admire

Women's History Month Art Project

Steps

- Draw women in your life that are important to you and you love.
- There are 3 ways you can capture the images for your drawing.
 - Look at the real person – they would “sit” for you
 - Use a picture of them if you have one or can snap one
 - Use your of memory them

Steps

- Use pencil first to draw your women.
- Use pencil to draw patterns for the background; hearts, stars, geometric shapes, flowers, etc, to make your art interesting.
- After the pencil drawing, color your art work with color markers.

Here are some examples of the work of previous students for this project.

Have fun creating your own creative designs!
